EPICOR
CPQ

Smart Visual Configuration for Salesforce CPQ

Don't let the other guys fool you. Epicor CPQ is more than just a pretty face.

Visual Configuration Backed by Robust Business Rules

Epicor CPQ provides an immersive 2D, 3D, or AR experience, allowing for real-time product configuration and dynamic pricing for internal sales people, distributors, or website visitors. Our revolutionary CPQ rules engine handles the most complex product logic, dramatically simplifying the implementation and maintenance of CPQ in your organization.

Why Epicor CPQ is Different

Snap Rules Engine
Other visual CPQ solutions hide behind hard-coded rules while Epicor CPQ authors powerful logic for complex product selling using a no-code builder.

Website Embedding
Embed a visual product configurator on your website for all end buyers to visualize, dynamically price and quote products.

CAD Automation
Automatically generate sales drawings for quotes and CAD models* for Engineering.
Integrate with SolidWorks, Autodesk Inventor, and PTC CREO

EPICOR

We're here for the hard-working businesses that keep the world turning. They're the companies that make, move, and sell the things we all need. They trust Epicor to help them do business better. Their industries are our industries, and we understand them better than anyone. By working hand-in-hand with our customers, we get to know their business almost as well as they do. Our innovative solution sets are carefully curated to fit their needs and built to respond flexibly to their fast-changing reality. We accelerate every customer's ambitions, whether to grow and transform, or to simply become more productive and effective. That's what makes us the essential partners for the world's most essential businesses.
